WEST BEND® STIR CRAZY® CORN POPPER GOES PARTYING

Building on the category leadership of corn poppers, West Bend® is introducing a “Party Pack” themed variation on its popular Stir Crazy® Corn Popper. Teaming up the Stir Crazy® Corn Popper with everything you need for a party seems like a natural way to have fun at home. The Stir Crazy® Party Pack comes with two family sized pouches of ready to make Theater Style Popcorn and Oil, our popular White Cheddar and Nacho Cheese shaker seasonings, and 10 fun size popcorn serving boxes.

The Stir Crazy® Corn Popper from West Bend® includes a 6 quart see through cover that doubles as a serving bowl. The Stir Crazy® can cook up 24 cups or 6 quarts of popcorn in 3 minutes, enough to feed a party before kickoff or perfect for a movie time treat. Flip the popcorn popper when it is done, season with your choice of favorite seasonings provided, and serve up a party!

Additional fun recipes are included.

Founded in 1911, West Bend® is among the most recognized small appliance brands. It is known by consumers worldwide for its quality products and service, and is located in West Bend, Wisconsin. Focus Electrics, LLC is a subsidiary of Focus Products Group, LLC, a growth-oriented holding company based out of Vernon Hills, Illinois. Focus Products Group, LLC has other such notable brands as Back to Basics Products®, Jerdon®, Amco Houseworks®, Chicago Metallic®, and Swing-A-Way®.
