SMOOTHIE SIGNATURE™ II; POWER, PERFORMANCE, CHOICE

The “cutting-edge” SM700 Smoothie Signature™ II is more than just a smoothie maker. Back to Basics® offers discriminating consumers power, performance and choice in a traditional looking smoothie maker that is anything but traditional in capability. Create taste tempting, healthy smoothies. Add your favorite ingredients, choose the desired blending setting, dispense and enjoy.

This powerful 56 ounce performer has strong ice-crushing blades and a convenient patented stir stick to provide optimum blending performance every time. The Smoothie Signature™ II can handle any smoothie or drink blending need. Choose from 5 powerful, electronic pre-set performance blend settings for precision control of blending; make drinks as smooth or ice-free as you want them to be. Extra-tall blending jar and two-way faucet allow you to dispense into tall glasses. The glass blending jar, brushed stainless steel housing and illuminated power buttons contribute to a sleek, contemporary look.

Back to Basics® began as a small, Utah based, company that sold home canning and food processing products. Over the years, Back to Basics® has grown into a dynamic and competitive housewares company focusing on innovative products that deliver Family, Food and Fun. Focus Electrics, LLC is a subsidiary of Focus Products Group, LLC, a growth-oriented holding company based out of Vernon Hills, Illinois. Focus Products Group, LLC has other such notable brands as West Bend Housewares®, Jerdon®, Amco Houseworks®, Chicago Metallic®, and Swing-A-Way®. Focus Electrics aims to create products that allow consumers to live a “big budget” lifestyle on a small budget.
