The Legacy Companies ("Legacy") today announced the acquisition of the West Bend Electrics Division from Focus Products Group International, LLC ("Focus"). Established in 1911, West Bend Electrics has grown to be a leading global supplier of small kitchen appliances and housewares products.

"This strategic acquisition enhances Legacy's offering of well-known and longstanding brands with significant growth potential," said Neal Asbury, CEO of The Legacy Companies. "Additionally, it strengthens Legacy's global position as a leading housewares manufacturer and distributor," he continued.

The West Bend facilities in West Bend and Pleasant Prairie, Wisconsin will continue operations with the existing sales and service staff. Legacy plans to add support from Legacy's sales, product marketing and technical services divisions.
