CREATE SIGNATURE HOT BEVERAGES AT HOME WITH THE COCOA GRANDE

The Cocoa Grande™ is a hot drink maker that brings the delicious aroma and flavor of café style hot drinks into your home, without the cost of the café. This large-capacity, family-sized beverage maker from Back to Basics® automatically heats, froths and mixes instant cocoas, coffees, teas and lattes into frothy, café-style drinks. Whether mixing hot drinks for a large crowd or enjoying a quiet cup of hot cocoa, the Cocoa Grande™ is suited for your countertop. Create your own signature café drinks at home, they way you like them.

A sculpted base and electronic controls provide a sleek, classic look in a contemporary form. Choose from three settings to automatically mix, heat and hold ingredients at the perfect temperature. Hot cocoa is always ready, always perfect!

Essential features include a flip faucet for easy serving at your fingertips, see through mixing jar and a twist and lock lid for added security. The twist and lock lid features a built in measuring scoop to measure consistent ingredient portions every time. Whether your favorite cup contains a spiced chai latte or a creamy mint cocoa, the Cocoa Grande™ will heat, mix and serve perfection. Delicious recipes are included.

Back to Basics® began as a small, Utah based, company that sold home canning and food processing products. Over the years, Back to Basics® has grown into a dynamic and competitive housewares company focusing on innovative products that deliver Family, Food and Fun. Focus Electrics, LLC is a subsidiary of Focus Products Group, LLC, a growth-oriented holding company based out of Vernon Hills, Illinois. Focus Products Group, LLC has other such notable brands as West Bend Housewares®, Jerdon®, Amco Houseworks®, Chicago Metallic®, and Swing-A-Way®. Focus Electrics aims to create products that allow consumers to live a “big budget” lifestyle on a small budget.
